Should I take
the PSAT?

Yes....and here's why...

- PSAT is aligned with the CCSS and College and Career Readiness Standards
- It's an early indicator of college readiness
- Connection to scholarships and recognition Programs
- Connections to colleges and universities
- **For 9th and 10th graders, it can help guide what advanced courses to take for 10th and 11th grade years**
- Exposure to the testing environment and test questions.
- Potential increase of scores by 145 points on the SAT.
